On the terrace, you'll find an outdoor dining table with six chairs where you can enjoy your lunch or dinner "al fresco". The urbanisation of "La Fragata" offers beautiful communal gardens with a great variety of tropical and Mediterranean plants. Parking is on the street and there is always plenty of public parking around the port. All in all, an ideal place to enjoy a relaxing holiday, in a high-quality apartment, near shops, bars, restaurants and the port of Estepona. This lovely apartment is located in the well-known urbanisation of "La Fragata", very close to the marina of Estepona. Less than eight minutes' walk, the marina of Estepona offers a wide variety of bars, cafes and restaurants. In addition, the international market takes place every Sunday in the port, where you can buy some souvenirs of your holidays. The local street market takes place every Wednesday and is also located very close to the urbanisation, less than 10 minutes' walk. The charming old centre of Estepona is approximately 15 minutes' walk, which still retains the taste and beautiful appearance of the typical Andalusian white town, with cobbled flower lined streets and traditional squares with ice cream parlours and tapas restaurants. Estepona is known as the "Garden of the Costa del Sol" and you'll see why when you visit! Around the apartments, you'll find two supermarkets in less than five minutes' walk. The closest beaches are Playa de la Rada and Playa del Cristo, both with blue flags and about 10 minutes' walk from the property, making it a privileged amenity for your holiday in Estepona. For exploring Andalucia, think about Granada, Seville and the provincial town of Malaga. Gibraltar is also only 35 minutes away by car... but don't forget your passport!
