Overview: This impressive mansion is idyllically located on the beachfront in the world-renowned Puerto Banús. Despite its location in one of the best-known places on the Costa del Sol, the house is located in a quiet area, with spectacular views of the sea, the beach, Gibraltar, La Concha mountain and the port. Even so, you can count on all kinds of services less than five minutes walk from it: restaurants, bars, supermarkets, shops, etc. The fantastic property consists of five en-suite bedrooms (two of them in a separate apartment attached to the house), a very large living room with a fireplace, a perfectly equipped kitchen, a separate dining room with access to a large terrace, as well as a large and well-kept garden with private pool and barbecue area. Finally, the house has a beautiful and traditional interior patio and a private garage for two vehicles.
