Overview: This beautiful apartment, located on the first floor of a complex that is next to the sea, is designed to be a home, not a simple house, as well as being able to enjoy the best views of the Guadalmina golf course. The area, Guadalmina Baja, is located just 2 steps from San Pedro de Alcántara, 6 minutes from Puerto Banús and only 12 minutes by car from Marbella, however, it has a tranquility that makes it known as one of the best areas of Marbella to live. In addition, the community has a large pool and well-kept gardens, as well as being a safe and closed area, and all within 800m from the beach. The apartment itself offers a very spacious living room, from which you can access a large terrace with great views of the golf course and the mountains. In addition, it has a spacious kitchen, perfectly equipped with Miele appliances and which has a separate laundry area.
